

إدارة حصر التبغ والتبناك اللبنانية
REGIE LIBANAISE DES TABACS ET TOMBACS

To introduce a new cigar brand the following documents are required:

- An exclusive agency from the producer including a pledge to abide by decision no 1/971 jointly and severally with the agent to pay all dues to Régie including introductory fees (**USD1,000** for the brand and **USD 200** for each variant), trade-offs (a quantity of Lebanese tobacco leaves with a maximum value equivalent to the value of tobacco products sold to Régie in the same fiscal year should be purchased or replaced by a cash payment equivalent to around 3 or 4% of the total value (CIF value) of your shipments during a certain year).
- An attestation stating that the blend does not contain any prohibited ingredient.
- Technical specifications: length, diameter and net weight of each cigar, No of cigar per box wooden, plastic or card board (to specify), No of cigars per case
- FOB or CIF price of each cigar (the sales price ex warehouse to wholesalers to be calculated by multiplying the CIF price per 1.65 and by adding the VAT 10.718%)
- Samples.
- Certificate of origin.
- A bank guarantee covering customs duties and other costs (around 50% of shipment value) incurred by Régie on each shipment
- The new health warning to be printed on each box
